A white, layered sculpture of a human head in profile, set against a dark, textured background. The sculpture is composed of multiple overlapping, curved layers that create a sense of depth and movement. The background is dark and appears to be a rough, stone-like surface with some light-colored veins or cracks. The lighting is dramatic, highlighting the edges of the sculpture and creating strong shadows.

s t a t u a r i o
collection

THE ENERGY OF NATURE, THE CHARM OF DECORATION.

The Statuario collection crystallizes aesthetic-design rigor on the ceramic Tiles and the discreet elegance of the decoration.

Size:
600X1200MM

Technical Features

The significant life events of this tile collection flawlessly support today's modern lifestyle, with qualities such as scratch resistance, germ resistance, stain resistance, and more.
